

ELECTRO POWER

SPECIALIZING IN SOLID STATE MOTOR CONTROL

VFDs
SOFT-STARTS

MOTOR CONTROL PANELS

MCCs

Electro Power has been in Business for over 30 years in the sale of VFDs, Soft-Starts, Motors, Gear Reducers and Custom Panels for all Industries. Specializing in Motors and Motor Controls has given us a greater understanding of the relationship between the two and allows us to know ahead of time the particular needs for every application. We engineer, build and program as well as provide start-up and service on everything we sell. Our availability is 24/7 to answer any questions you have and to support you in the field. Our reputation in the industry is 1st Class and we charge nothing for phone support to you or your customers.

Our Prices are Great, our quality is the Best and we know exactly what we're doing.
